Nissan Forklift

Nissan prides itself on attaining overall client fulfillment when their buyer is enjoying one of their countless trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to providing high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with strong production principals, Nissan lift trucks supply some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the business has four independent production facilities that permit them to constantly adapt to their customers continually evolving wishes by providing an array of progressive ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental responsibility by using systems and processes that minimize their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their clients insist upon whilst being an environmentally responsive corporation.

Nissan is quite convinced that any of their customer's queries and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community endorsed sellers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
